"Neponset" was the name given by the Neponset Indians to an area of land "surrounded by water." The land was their home, surrounded by Hawes Brook, Traphole Brook, Planting Field Brook, Germany Brook, and the Neponset River. This area is now known as "Norwood."

A friend is someone
with whom
you can share
the world

Very little is needed
to make a happy life.
It is all within yourself,
In your way of thinking.

SUPER BOWL CHAMPS!!!

1980 was perhaps the greatest football season ever. Never before had a Mustang football team achieved such recognition. They were Bay State League Champions, Division I Super Bowl Champion, Number I in the Northeast, and Number VIII in the country. Joe Travers was selected as an All-Scholastic end and John Doherty Jr. will represent Norwood in the Shrine Game. Coach Doherty was chosen Mass. Coach of the Year and Coach Martinelli was chosen Ass't Coach of the Year.

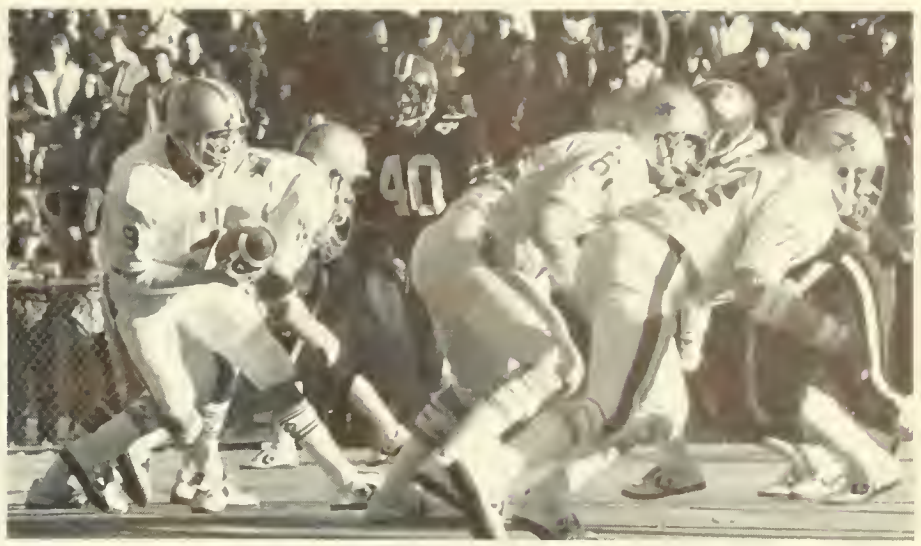

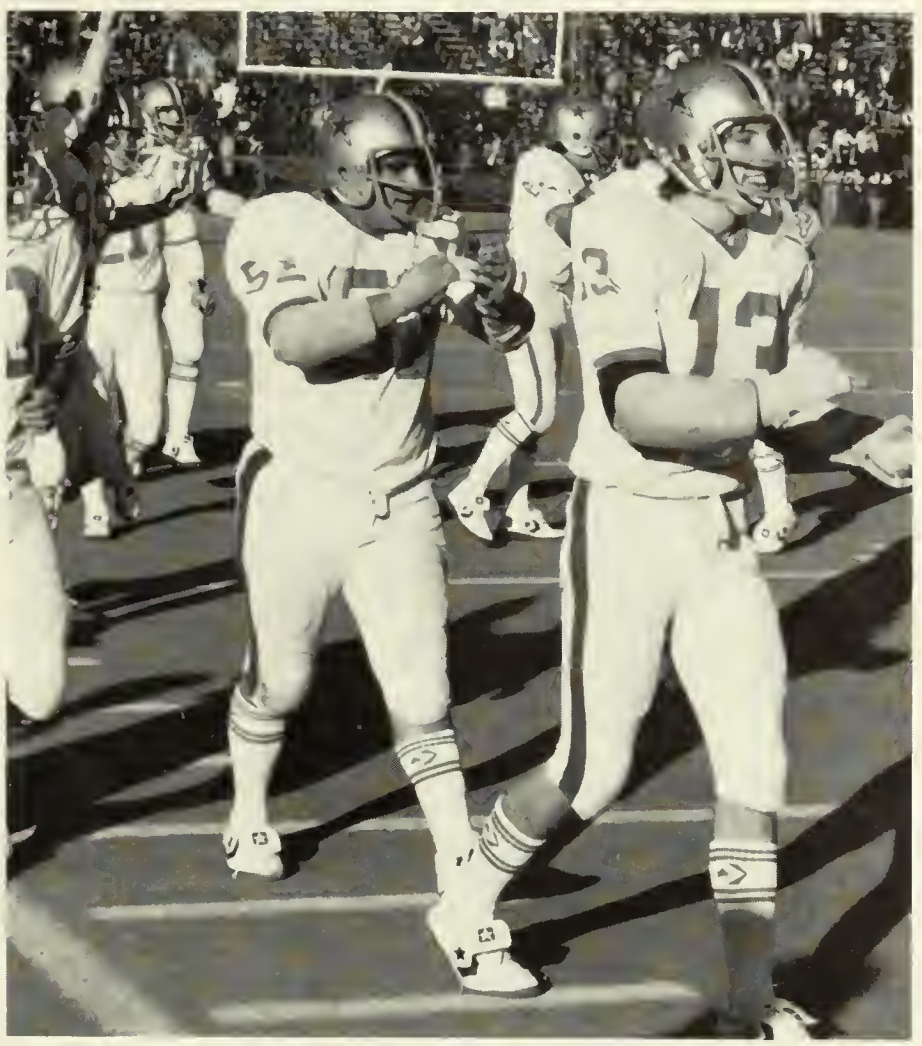

REMEMBER it — A Look at the 1980 Super Bowl Season

By: George Putnam, Asst. Coach

Remember traveling to camp, for some it was a fuss.
But for Mooney and me, we didn't ride the damn bus.
Remember the week at camp, it seemed to go all right
Except for some seniors on that final Thursday night.
Remember the sophomore games, they were finally laid to rest
Coach Smith and I saw to it, we gave it our best.
Remember those seniors, how they all were afire
The biggest cry-baby of all, was Capt. Paul Dyer
Remember our opening game, everyone asked Don Bosco who?
For a half we ran crazy but couldn't punch one through.
Remember Natick, we'd lost there three times before
And it didn't look good, when on a safety they did score.
Remember the game, though, it sure was a beauty
The offense scored often and the defense stopped Flute.
Remember the Walpole game on that rainy Saturday
The AD's and coaches decided we weren't going to play.
Remember coming back on Sunday to do it again
Thanks to Doherty to Pusateri we had a 6-0 win.
Remember the celebration, praise was given to all
And Mike Connolly, our unselfish blocker, got the game ball.
Remember Framingham South, those Garron boys could go
But thanks to Martinelli and his defense it was NO-NO-NO.
Remember the Needham game, we sure did for good reason
They beat us last year and we lost an undefeated season.
Remember the Wellesley game, it was a laugher all the way
And new quarterback Chris Sheehan even had a field day.
Remember the Dedham game, we all knew what was on the line
But I know we were looking ahead to Super Bowl Nine.
Remember the week of practice going to Schaeffer and back.
And our lunch at MacDonald's, we all got our Big Mac.
Remember Converse and Chan Souther, we sure couldn't lose
Not since they gave us those pretty new shoes.
Remember the news media, they said Brockton was immense
But they forgot to look closely at the Norwood defense.
Remember Sandy McMurtry and Jay McGhee
But our offense had Hillie, Kevin, and Pusateri.
Remember Hill's touchdown, to Brockton it was a shock
I can still see him running and Connolly's great block.
Remember Brockton's two scores, the game suddenly became hairy
But then came Travers' interception and Duffy's Hail Mary.
Remember the siren police escort, we sure got home fast
And Paula, our bus driver, was having a blast.
Remember Paul Angelo's party at his Old Colonial Cafe
Eating a roast beef dinner and watching the video replay.
Remember being one in New England, to say the least
And later we were voted the best in the Northeast.
Remember these accolades, they were really a sensation
But to top it all off, we were rated 8th best in the nation.
Remember Super Bowl 77, it was a great one for sure
And Super Bowl 80, who could ask for anything more
Wouldn't it be nice, Juniors, if in 81 we could have an encore.

With a new kind of style and a new kind of flare, Norwood Mustangs won the Bay State title in the 1980-81 Cheerleading Competition. Determination and dedication were the elements used to overcome obstacles and obtain the ultimate — a First Place trophy.

Their new coach, Miss Donna Glaser, encouraged the girls throughout the season with the help of the co-captains Donna Herlihy and Lynne Costello. Miss Glaser, with her excellent coaching abilities, helped the squad combine poise and confidence to achieve perfection and prove that there is nothing left to say except Norwood High is on top to stay.

Even though the Boy's Soccer team had a losing season, the entire student body is proud of their efforts and appreciates the determination which they exhibited on the field. The Boy's Soccer team was led by Tri-Captains John Trask, Paul Berkowitz, and Scott Spiro. We hope that the members of next year's team will be able to equal the spirit and improve the record of this year's team.

1981 Tri-Captains: John Trask, Paul Berkowitz, Coach Manny Lopes, and Scott Spiro.

Girls' Soccer

Although a building year for them, the girls' soccer team exhibited the spirit and motivation that has become the trademark of the Mustangs. Since the team consisted mainly of sophomores, they did not have the outstanding year that was hoped for. Although the tri-captains, Donna Kotak, Paulette Alty, and all-star Patty Minkevitch, will be sorely missed, it is hoped by all that the underclassmen will return to have a tremendous season next year.

AIN'T IT THE TRUTH
IT'S THE DRIVER

It isn't the car that begins to whine when forced to stop at an old stop sign — it's the driver.
It isn't the car that will take a drink then quickly lose its power to think — it's the driver
It isn't the car that fails to heed the dangers of reckless, discourteous speed — it's the driver.
It isn't the car that steps on the gas and causes an accident, trying to pass — it's the driver.
A car may be bent and twisted awry, but it isn't the car that will have to die — it's the driver.

FIREFIGHTERS PRAYER

by James J. Medcalfe

When I am called to duty God . . . Wherever flames may rage . . . Give me the strength to save some life. Whatever be its age . . . Help me embrace a little child before it is too late . . . Or save an older person from . . . The horror of that fate . . . enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with your protecting hand . . . My Children and my wife.

Senior Class Song

It's Over — Boz Scaggs

Best of friends, never part, best of fools have love
forever from the bottom of their hearts;

So why pretend, this is the end, you'll have to find
out for yourself, go on ask somebody else.
(chorus)

why can't you just get it through your head
it's over, it's over now
Yes you heard me clearly now I said it's over,
it's over now.
I'm not really over you, you might say that I can't
take it, I can't take it, Lord I swear I just can't
take it no more.
Go away, so far away, it's too late to turn back now,
and it don't matter anyhow.
Cause you were right, I'm to blame, can't keep up the same
old way, can't keep up the same old game.
(chorus)

It's Hard to Say Goodbye
To turn away
with no regrets,
no regrets or tears,
and no goodbyes to say
Life just never seems to work
that way —
and it's hard to say
Goodbye

To walk away
and not look back,
knowing love has gone
with no sad games to play,
Life just never seems to work
that way —
and it's hard to say
Goodbye

"Tiot" was the name given by the Neponset Indians to an area of land "surrounded by water." The land was their home, surrounded by Hawes Brook, Traphole Brook, Planting Field Brook, Germany Brook, and the Neponset River. This area is now known as "Norwood."
